

I Will Dwell

YAH is my shepherd, I shall not want,
And **YAH** is a shield, all around me
And I will fear no evil,
For I know that love will be with me

YAH is my shepherd, I shall not want,
And **YAH** is a shield, all around me
Beside the quiet waters,
I can feel Him guiding me

And I am overflowing, with the oil, of Your anointing
And I am overflowing, with the oil, of Your anointing

And I will dwell, in the presence of **YAH**,
And I will dwell, in the presence of **YAH**,
And I will dwell, in the house of **YAHUAH**,
Forever He, will so rest, my soul

YAH is my shepherd, I shall not want,
And **YAH** is a shield, all around me
Beside the quiet waters,
I can feel Him guiding me

And I am overflowing, with the oil, of Your anointing
And I am overflowing, with the oil, of Your anointing

And I will dwell, in the presence of **YAH**
And I will dwell, in the presence of **YAH**,
And I will dwell, in the house of **YAHUAH**,

Forever He, will so rest, my soul
Forever He, will so rest, my soul,
Forever He, will so rest, my soul

YAHUAH is my Shepherd, I shall not want
