

Scars in Heaven

F C Gm7

F C Gm7
If I had only known the last time, would be the last time

F C Gm7
I would have put off all the things I had to do

Dm Csus4 A# F/A
I would have stayed a little longer, held on a little tighter

A# C F C Gm7
Now what I'd give for one more day with you

F C Gm7
'Cause there's a wound here in my heart, where something's missing

F C Gm7
And they tell me that it's gonna heal with time

Dm Cadd9 A# F/A
And I know you're in a place, where all your wounds have been erased

A# C F
And knowing yours are healed is healing mine,

A# F Fsus4 F
The only scars in Heaven, They won't belong to me and you

C Cadd9 A# F
There'll be no such thing as broken, And all the old will be made new

A# Dm
And the thought that makes me smile now, Even as the tears fall down

Gm7 a A# F C Gm7
Is that the only scars in Heaven, Are on the Hands that hold you now

F C Gm7
I know the road you walked was anything but easy

F C Gm7
You picked up your share of scars along the way

Dm Csus4 A# F
But now you're resting in the Son, You've fought your fight, your race is run

A# C F
The pain is all a million miles away
