

## **If You Want Me To**

**The pathway is broken, and The signs are unclear  
And I don't know the reasons why, You brought me here  
But just because You love me, the way that You do  
I'm gonna walk through the valley, If You want me to**

**No I'm not who I was, When I took my first step  
And I'm clinging to the promise, You're not through with me yet  
So if all of these trials, bring me closer to You  
Then I will, walk through the fire If You want me to**

**It may not be the way, I would have chosen  
When you lead me through a world that's not, my home  
But You never said it would be easy  
You only said, I'd never go alone**

### *interlude*

**So when the whole world turns against me, and I'm all by myself  
And I can't hear You answer, my cries, for help  
I'll remember the suffering, Your love put You through  
And I will, walk through the darkness, if You want me to**

**And when I cross over Jordan, I'm gonna sing and shout  
Gonna look into Your eyes and see, You never let me down  
So take me on the pathway, that leads me home to You  
And I will walk through the valley if You want me to**

**I will walk through the valley If You want me to  
Yes I will walk through the fire, If You want me to**
